Istruzioni per l'uso: stampare su cartoncino bianco queste pagine, ritagliare lungo la linea tratteggiata centrale. Inserire in buste plastificate (formato A5) in un quaderno ad anelli, da sfogliare (si consiglia di avere tutte i display solo sul foglio di destra, per evitare interferenze). Si consiglia, inoltre, di tagliare lungo la linea tratteggiata posta a destra di ogni tavola affinché possa essere più semplice il passaggio alla figura successiva una volta che il soggetto ha riconosciuto la figura corrente ad un certo livello di frammentazione.
